

Notice of extension to the gas supply licence held by Flogas Natural Gas Limited

25 November 2015

About the Utility Regulator

The Utility Regulator is the independent non-ministerial government department responsible for regulating Northern Ireland's electricity, gas, water and sewerage industries, to promote the short and long-term interests of consumers.

We are not a policy-making department of government, but we make sure that the energy and water utility industries in Northern Ireland are regulated and developed within ministerial policy as set out in our statutory duties.

We are governed by a Board of Directors and are accountable to the Northern Ireland Assembly through financial and annual reporting obligations.

We are based at Queens House in the centre of Belfast. The Chief Executive leads a management team of directors representing each of the key functional areas in the organisation: Corporate Affairs; Electricity; Gas; Retail and Social; and Water. The staff team includes economists, engineers, accountants, utility specialists, legal advisors and administration professionals.

Our Mission

Value and sustainability in energy and water.

Our Vision

We will make a difference for consumers by listening, innovating and leading.

Our Values

Be a best practice regulator: transparent, consistent, proportional, accountable, and targeted.

Be a united team.

Be collaborative and co-operative.

Be professional.

Listen and explain.

Make a difference.

Act with integrity.

NOTICE UNDER ARTICLE 8(6) OF THE GAS (NORTHERN IRELAND) ORDER 1996

Pursuant to Article 8(6) of The Gas (Northern Ireland) Order 1996 (“the Order”) the Northern Ireland Authority for Utility Regulation (“the Authority”), hereby gives notice as follows:

- 1) The Authority, in accordance with Article 8(2)(a) of the Order, has granted an extension to the licence to supply gas (the “licence”) held by Flogas Natural Gas Limited (the “Licensee”) by increasing the authorised area of the licence.
- 2) The authorised area is set out in Schedule 1 of the licence and this area has been extended to include the West Area. The West Area is the Licensed Area within Schedule 1 of the licence granted to Scotia Gas Networks Northern Ireland Ltd¹.
- 3) The extension will allow the Licensee an opportunity to supply gas to customers within the West Area when the network in the West Area has been developed.
- 4) The Authority considered that granting the extension was an appropriate course of action for it to take as such grant is in keeping with the Authority’s principal statutory objective in that it promotes the development and maintenance of an efficient, economic and co-ordinated gas industry in Northern Ireland.
- 5) On 7 October 2015, the Authority published notice², under Article 8(4) of the Order, of its intention to extend the licence. The Authority asked for any representations or objections with respect to the proposed extension to be made on or before 7 November 2015. We received one response which was supportive of the proposed extension. A copy of this response is available on our website.
- 6) A copy of the extended Schedule 1 of the licence is appended to this notice. The consolidated licence is also available to view on our website.
- 7) The Authority has served a copy of this notice on the licensee and sent a copy to the Department of Enterprise Trade and Investment. The Authority has also sent a copy of this notice to the Consumer Council.
- 8) To request a hard copy of this notice, or the licence, contact Karen Wilson at Utility Regulator, Queens House, 14 Queen Street, Belfast, BT1 6ED, or by telephone on 028 9031 1575, or by email at karen.wilson@uregni.gov.uk.

Dated this 25th Day of November 2015

Jenny Pyper
For and on behalf of the Authority
