Dear Carl,

**Proposed Distribution Code Modification concerning Small Scale Generation Setting Schedule**

Thank you for your letter of 7 June 2017 where you seek our approval for your proposed modifications to Grid Code concerning Small Scale Generation Setting Schedule.

The Utility Regulator approves this modification in the form presented to become effective from 1 September 2017.

Having reviewed the modification proposal and the supporting documentation the Utility Regulator is satisfied that NIE Networks has recommended this modification for approval in accordance with the relevant provisions set out in the Distribution Code. We also note that views of stakeholders have been adequately considered and addressed.

Yours sincerely,

**Tanya Hedley**  
**Director, Compliance and Networks Operations**
